FABBRICA OSSIDI di ZINCO

Carasco, 27 March 2020

In response to the COVID-19 emergency on 25/03/2020 the Italian Government has issued an updated list of industrial and economic activities subject of mandatory suspension (ref. Dpcm 22/03/2020 "Chiudi Italia"), including business code ATECO 20.12 pertaining to our company.

Therefore, interested companies shall complete the necessary suspension activities by 28th March.

A-ESSE S.p.A. will stop temporarily from 17:00 CET of today, 27 March, until 5 April 2020 included, notwithstanding further Government decisions.

In the meantime, we are equipping ourselves in order to guarantee technical, commercial and administration services on the usual e-mail and phone numbers.

For urgent matters you can reach the following areas as follows:

- | | | |
|------------------|-------------------------|-------------------|
| - Technical | - Mr. Davide Altea | +39 342 80 96 685 |
| - Administration | - Ms. Paola Picetti | +39 349 55 22 316 |
| - Management | - Mr. Giancarlo Durante | +39 348 58 31 754 |

We will make all our efforts to be fully operational at the restart of business and wish that the personal and professional life of everyone will get back as soon as possible to normal.
